

Social Narrative

Dan & Claudia!

Today I am going to watch a music performance on my computer.

Claudia and Zane sing and play instruments

I can control the brightness and volume on my computer, or ask for help by pointing below:

Too Loud

Too Bright

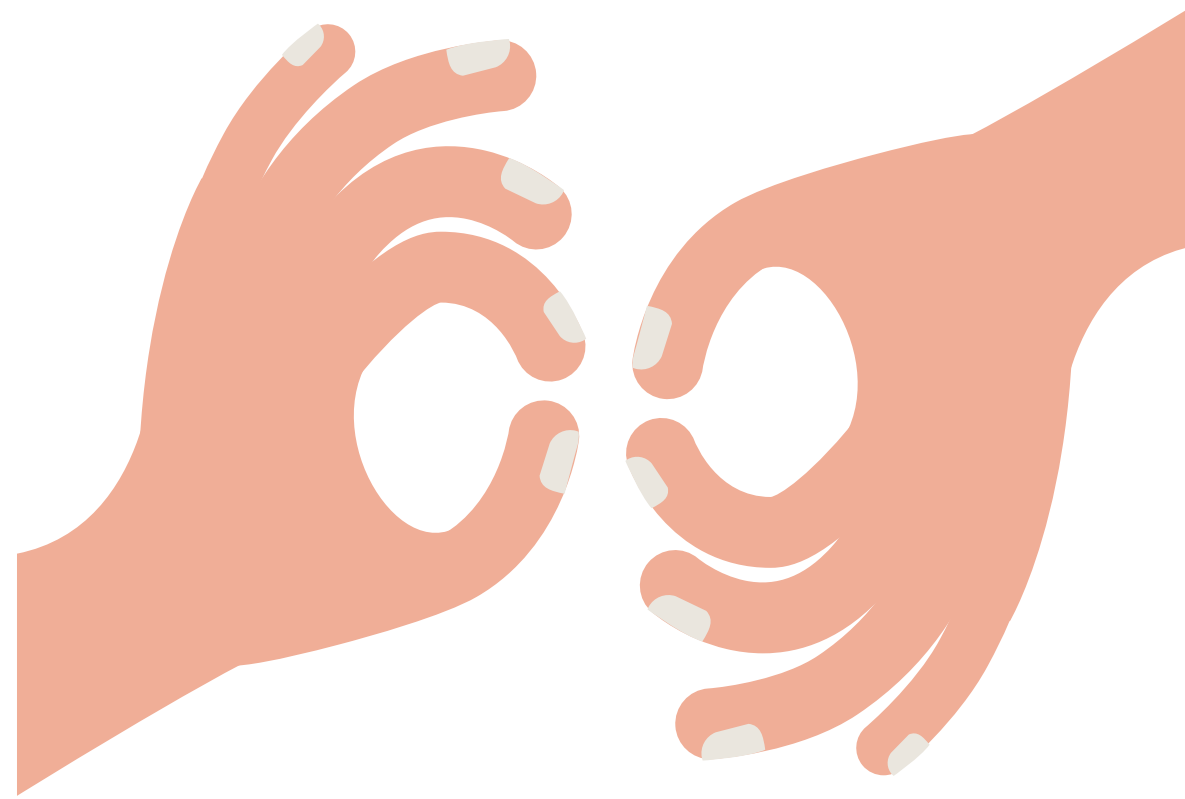

I can clap or sing along or just sway with
the music - it's up to me!
They will instruct me to dance, and I can
join if I want to and am able,
or just bop my head!

Dan & Claudia play lots of instruments:

- guitar (acoustic and electric)
- percussion instruments
- harmonica
- flute

Dan & Claudia will teach me
sign language!
