SYNOPSIS

Elsa and Anna are sisters who reign over Arendelle. Elsa has secret ice powers which don't allow her to connect with her little sister, Anna. When Anna reveals her engagement to Hans after just knowing him for one day, Elsa is upset and accidentally releases her powers to the kingdom freezing everything in her path and flees to the mountains. Anna with the company of Sven, Olaf and Kristoff embark on a journey to find Elsa and convince her to return home before Arendelle freezes for good.
