### **ABOUT MORE MUSIC @ THE MOORE**

Since 2002, STG's More Music @ The Moore program has been committed to celebrating exceptional young musicians in its community and providing musicians, regardless of what style they play, the opportunity to make music together. It's an artist development program centered in collaboration. Over the years, the program has helped to provide local artists with the tools needed to further their careers in the music industry. Artists in the program perform their own works as well as back up peer musicians in a student matinee and a public performance at the historic and world-renowned Moore Theatre.

As part of Moore Music @ The Moore, young artists have collaborated and performed with The Roots, Robert Glasper, Sheila E., Elvis Costello, Melissa

Etheridge, Mike McCready, Jon Batiste and Stay Human, Meshell Ndegeocello, Michael Shrieve, Alan White, and more!

In addition to those listed above, past participants include Benicio Bryant of Bryant of NBC's *America's Got Talent*, Austin Jenckes, Emily Randolph of NBC's *The Voice*, international Opera star J'Nai Bridges, members of Thunderpussy, members of Industrial Revelation, members of Blake Lewis' band, members of Visqueen, and numerous other touring artists, music teachers, and music professionals.
